

dream | care | enjoy

The new 2017/2018 Fall/Winter Collection by Society Limonta welcomes you to a soft, embracing, imperceptible, tactile, visual, intense, original, daytime, nighttime experience. A challenge to your creative skills, where matching, mixing, overlaying, discovering unusual contrasts or new harmonies, is a must. Society Limonta provides all the ingredients, but the experience, must be deeply and absolutely yours.

La nuova Collezione autunno/inverno 2017/2018 Society Limonta vi invita a fare un'esperienza avvolgente, morbida, sfumata, impercettibile, materica, tattile, visiva, intensa, originale, diurna, notturna. Un'esperienza che sfida la vostra capacità di creare, accostare, mixare, sovrapporre, distinguere, armonizzare, opporre. Gli ingredienti sono tutti qui dentro, ma l'esperienza è profondamente, autenticamente, assolutamente vostra.

dream — *Dreams are perhaps made of the same substance of the nocturnal creatures that animate your bedroom. Sheer sheets in a double cotton and silk layer, soft blankets in cotton and alpaca wool, silk and wool throws where tartan patterns blend into solid colours, as if the colours themselves were*

Forse i sogni sono fatti della stessa materia delle creature notturne che animeranno la vostra camera: aeree lenzuola in doppio strato cotone e seta, soffici coperte in maglia di cotone e alpaca, morbidi plaid in lana e seta, dove i disegni tartan sfumano gradatamente in campiture piatte, come se i colori stessero scivolando nel sonno. Forse. Lo scoprirete solo dormendo, sognando, sfiorando.

care — *Every home has an intimate place where thoughts drift and flow. Society Limonta ennobles the bathroom with terry cloths, linen and cotton towels with different patterns and colours. Mixing and matching is the game: colours, fabrics, solid colours, daring new combinations or maintaining*

Ogni casa ha un luogo intimo dove i pensieri si distendono e scorrono via. Society Limonta nobilita il bagno con spugne, lini e asciugamani in cotone diversissimi fra loro. Anche qui impera il gioco: per esempio, quello di mixare le particolari cromie degli asciugamani in lino e cotone con le più classiche tinte unite, in accoppiamenti giudiziosi o impertinenti. Fate tutto e di più, seguendo l'ispirazione del momento. Tanto nessuno vi vedrà.

enjoy — *Taste, first of all. But also a visual and tactile experience. With the new Society Limonta Collection, the table enriches itself of unmatched sensations, thanks to the new linen or cotton place mats with an extended colour palette, or to the light geometric Sangallo embroidery on the tablecloths, and thanks to the renewed modern version of*

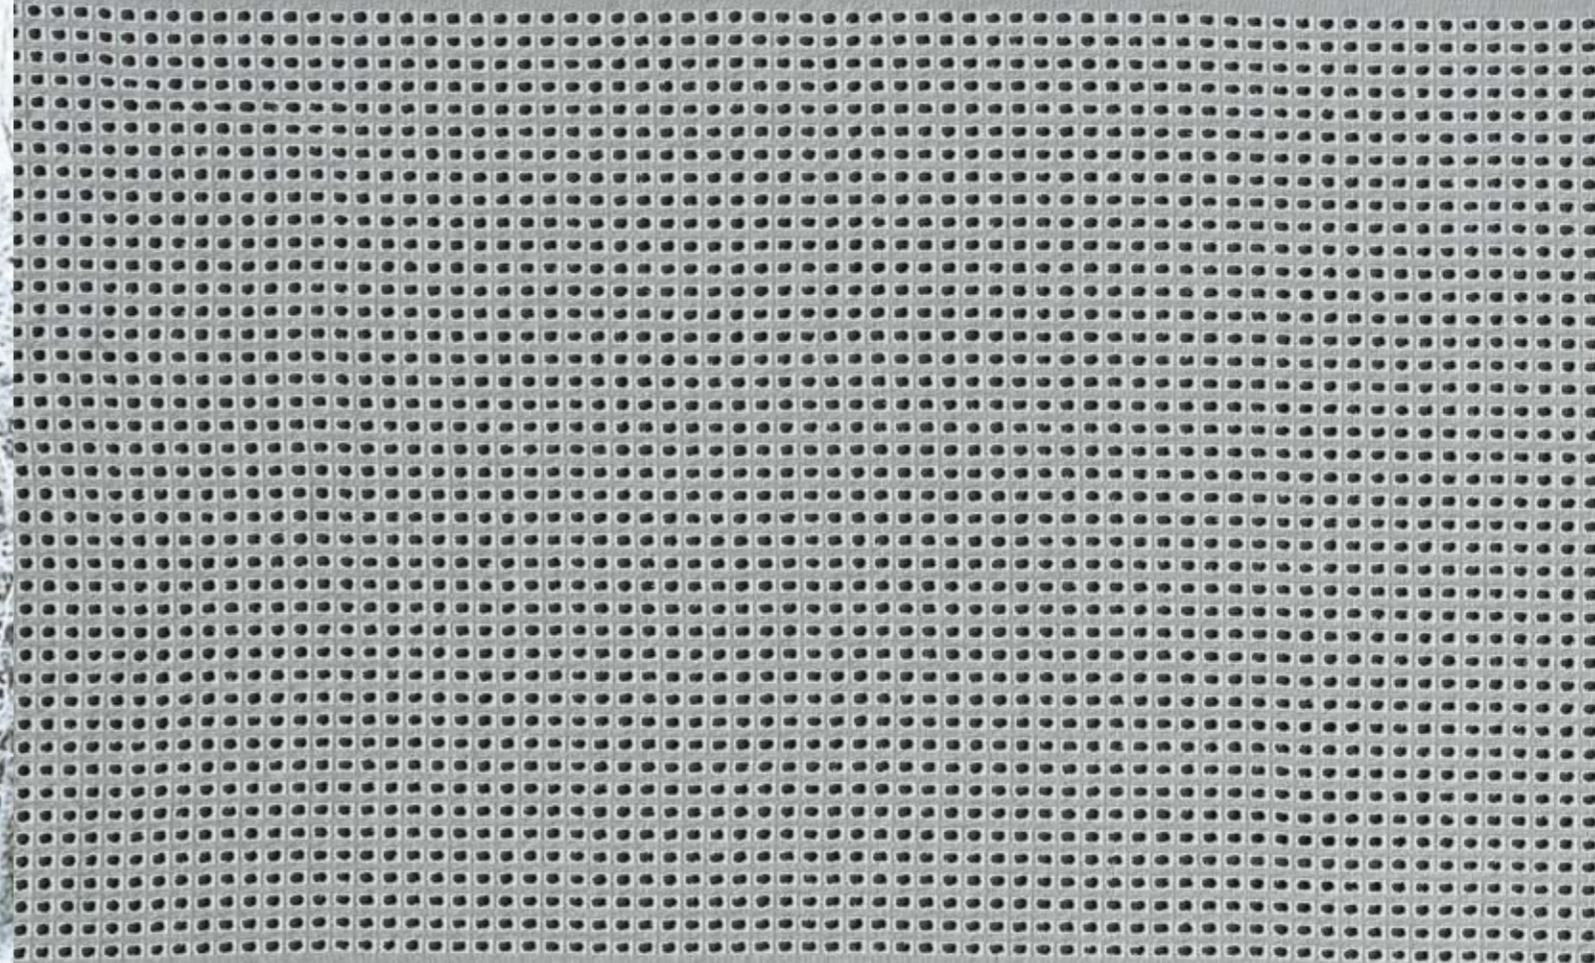

Il gusto, prima di tutto, ma anche la vista e il tatto. Con la nuova Collezione oggi la tavola diventa più ricca di sensazioni, grazie alla vastissima palette di colori delle americane, in lino o in cotone, grazie al leggero ricamo geometrico delle tovaglie ispirate al “sangallo”, grazie a classici rivisitati come i piatti in porcellana di Limoges, particolari nella loro ricercata irregolarità. Soddisfare il vostro piacere è la nostra unica ricetta.
